

Jewellery / Wed, 8th December 2021 / Lot 722

### LOT 722

A gold ring, circa 1920, claw set with a rectangular mixed cut aquamarine, detailed '18ct', weight 2.6g, ring size approx N.

Estimate: £70 - £100

---

### Condition Report

722. Aquamarine has one or two nibbles to the girdle. It is pale colour saturation. Internally under a 10x loupe there are a number of faint partially healed fractures which resemble fingerprints, partially visible without magnification.

Ring is dirty and would benefit from a clean. Claws are beginning to show signs of wear, particularly on one side. Some minor scratching to the shank.
