

Collectors' Items, Works of Art and Light Fittings / Thu, 9th December 2021 / Lot 2525

LOT 2525

A late 19th century tortoiseshell and engraved ivory frame of heart shaped form, height 20cm, width 15cm, together with a Middle Eastern sadeli work frame and a similar workbox (faults).

Estimate: £80 - £120

Condition Report

2525. The heart shaped frame has two small areas of loss to the pierced bone mount, but is otherwise in good order.

The other frame has three of the back supports missing and one replaced.

The box is in very distressed condition.
