Condition Report

108. Previously cleaned and restored. Paint a little thin in areas, but nothing too bad. UV examination highlights some areas of overpainting, mostly to the background and cloak. Some craquelure throughout resulting in some minor paint flaking, most noticeably to the beam above the figure's head. Some surface dirt. Old varnish is uneven.

The gilt frame has been crudely repainted gilt and has some repairs. There is also subsequent damage and loss to composition.

Size including frame, 112cm x 97cm.
