

Furniture / Thu, 9th December 2021 / Lot 2184

LOT 2184

A late Victorian oak framed metamorphic library chair, folding to form a set of steps, height 89cm, width 43.5cm.

Estimate: £50 - £80

Condition Report

2184. Fairly robust and clumsy repair to rear leg joints with later fitted brass plates added to the sides and additional supports to the rear sides. Seat panel split and later fitted hooks to side.
