

Wristwatches and Pocket Watches / Wed, 15th December 2021 / Lot 1095

### LOT 1095

An Oriosa steel cased gentleman's chronograph wristwatch with Landeron 248 caliber movement, the signed black circular dial with luminous hour markers, two subsidiary dials and outer tachymeter scale and detailed '17 Jewels Incabloc', case diameter 3.7cm, on a black leather strap.

Estimate: £200 - £300

---

### Condition Report

1095. The watch winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The chronograph functions and buttons/pushers are all working with start, stop and reset, but it resets a couple of seconds behind 12 o'clock, rather than straight up, so an adjustment is needed.

Case and dial in good clean condition.
