

Wristwatches and Pocket Watches / Wed, 15th December 2021 / Lot 1071

LOT 1071

A Seiko Automatic steel cased gentleman's wristwatch, the signed dial with silvered baton hour markers, day and date apertures and centre seconds, within an outer rotating bezel, case diameter 3.8cm, on an associated steel bracelet, with a case.

Estimate: £40 - £60

Condition Report

1071. The watch winds with a gentle shake. It adjusts smoothly and runs, but please be aware we give no guarantees to working order or reliability of any clock or watch. Both day and date roll-over as they should and bezel turns. As can be seen in the images on our website there are typical surface scratches and wear to case and glass, and wear to bezel. Dial is in pretty good condition.
