

Wristwatches and Pocket Watches / Wed, 15th December 2021 / Lot 1104

LOT 1104

An Omega Chronostop steel cased gentleman's wristwatch, the signed dial with baton hour markers, date aperture and red centre seconds, case width 4cm, with an associated steel bracelet (one button lacking).

Estimate: £180 - £220

Condition Report

1104. The watch winds and adjusts smoothly with date rolling over as it should, however the watch does not run and there is no response when the button is pushed (it clicks, but nothing happens). The full button is missing. Dial looks in generally good order. Case with surface scratches. The crystal is heavily scratched and there appears to be a small hairline around the edge at 2 o'clock.
