### Condition Report

1125. The watch is in good clean condition with no significant damage or repairs. The solid 18ct gold case and bracelet are in very good condition with only very minor surface scratches which are only really visible under magnification. The white marks on the bracelet, visible in the images, are easily removed as they are just from the disintegrating white box interior. The reverso function is in good order and works smoothly. Clasp is good. The watch is not currently running and please be aware we give no guarantees to working order or reliability of any clock or watch.
