LOT 1308

An early 20th century mahogany circular cased wall timepiece with eight day single fusee movement, the painted 12-inch dial with Roman hour numerals and inscribed 'Tree, Gt Dover St London' within a moulded surround, diameter 37.5cm, with pendulum (lacking glass).

Estimate: £80 - £120

Condition Report

1308. The case is in generally good condition and very much as it looks in the images on our website. The trap door to underside is missing its lock. The bezel is missing its glass. Dial is a little dirty and worn. The movement winds smoothly, but the pendulum suspension spring is broken, so we cannot comment on its working condition. Please be aware we give no guarantees to working order or reliability of any clock or watch.
