

Furniture / Thu, 20th January 2022 / Lot 2145

## LOT 2145

A 19th century carved softwood wall mirror of shaped form, the frame retaining some gilt surface, height 59cm, width 33cm (repairs).

Estimate: £40 - £60

---

## Condition Report

2145. Damage and glued repair to the top central feather carved surmount, signs of glue residue to the rear. Small chip/loss to centre of frame at the bottom. Chip to nose of surmount figure. Small age related losses to frame and wear consistent with age. No signs of woodworm. The back of the frame is possibly a later addition/replacement.
