LOT 2008

An early George III Virginia walnut chest-on-chest, the cavetto moulded pediment above an arrangement of oak-lined drawers flanked by fluted corners, height 179cm, width 115cm, depth 60cm.

Estimate: £300 - £500

Condition Report

2008. One section of the moulded pediment is detached but present. Piece of veneer missing to left of large drawer on bottom of top section (approx 6cm x 2.5cm), another piece missing just below the second drawer up (approx 3cm x 2cm), third drawer down has loss to bottom right corner and professional restoration to top right corner, and bottom drawer is missing the bottom left corner.

Several further very small areas of professional restoration to edges of drawers and some losses to moulding on top of base. Original handles and locks and generally in good order. General age related wear.
