

Jewellery / Wed, 19th January 2022 / Lot 557

### LOT 557

A 9ct gold ring, claw set with three oval opals, otherwise with cast and pierced decoration, London 1978, weight 3.8g, ring size approx P1/2, and a 9ct gold, sapphire and diamond oval cluster ring, weight 2.2g, ring size approx G1/2.

Estimate: £100 - £150

---

### Condition Report

557. Opal ring ♦ the opals have a play-of-colour principally of green with a hint of orange, which is slightly subdued. The ring is generally in good condition.

Sapphire and diamond ring ♦ the sapphire is of dark colour saturation. The surrounding diamonds are a little fuzzy and a few inclusions, some of which are surface reaching. Suggested age last 30 years.
