LOT 599

A 9ct white gold, blue topaz and diamond ring, claw set with the circular cut blue topaz within a surround of circular cut diamonds, ring size approx O1/2.

Estimate: £50 - £70

Condition Report

599. The blue topaz has one tiny surface nick to the top facet edge. The surrounding diamonds look to be attractive white stones, however the ring is rather dirty and would benefit from a professional clean. The shank is very slightly distorted.
