LOT 600

A Georgian gold garnet and hairwork mourning locket, the front glazed with a scene of an urn upon a plinth flanked by two trees within a scrolling ribbon effect surround, mounted with garnets, the back glazed with a hairwork compartment, length 2.4cm.

Estimate: £400 - £600

Condition Report

600. Hairwork miniature has some loss of definition to the initials and to the plinth. Glazing in good condition. Garnet surround is in good condition. The mount is likely to be of approximately 9ct gold quality. Gross weight 3.4g.

Locket is sealed, not hinged to open.
