### LOT 533

Two 9ct gold ropetwist link neckchains, each with boltring clasps, lengths 46.5cm and 76cm, total weight 8.9g.

Estimate: £80 - £120

### Condition Report

533. Thinner gold chain - the loop connecting the boltring to the rest of the necklace is split and slightly bent, this would need closing up to secure the necklace for wear.

Larger chain - in generally good condition.

Both with typical light surface wear.
