

Silver and Plate / Wed, 19th January 2022 / Lot 359

LOT 359

A set of six George V silver coffee cup holders, each of cylindrical form, pierced and embossed with putti and scrolls flanked by a griffon mask scroll handle, Birmingham 1912 by William Comyns & Sons Ltd, and a set of six silver cylindrical coffee cup holders, Birmingham 1922 by Charles S. Green & Co Ltd, total weight 292g, together with a group of assorted porcelain coffee can liners and saucers.

Estimate: £80 - £120

Condition Report

359. All six silver embossed holders in generally good condition with good clear hallmarks, but typical minor misshaping, few small splits to piercing and typical surface wear. 2 porcelain (yellow) liners in good order, 1 with hairline crack and the other with tiny chip to rim.

4 yellow saucers in good order.

All six other silver holders in generally good order, but with typical minor misshaping, typical minor dents, surface scratches and wear. Good clear hallmarks.

4 Aynsley liners in good order with no chips or cracks, typical minor wear to gilt and scratches to blue glaze.

The other liner is badly crazed and discoloured.

All 5 saucers in good condition, no chips, cracks or repairs. Typical light wear and scratches.
