LOT 145

William Joseph Julius Caesar Bond - Horse with Rider and a Figure in a Beach Landscape, oil on panel, signed and dated 1905, 35cm x 46.5cm, within a gilt composition frame.

Estimate: £60 - £100

Condition Report

145 - Overall good condition and very presentable in a nice frame. Possibly over cleaned in the past as the paint layer is thin surrounding the figures, this may also have been an intentional effect/technique of the artist.
