

Collectors' Items, Works of Art and Light Fittings / Thu, 20th January 2022 / Lot 2567

### LOT 2567

A 19th century treen cased pocket sundial, the lid interior bearing paper label, detailed 'Porters Magnetic Sun Dial entered at Stationers Hall', diameter 5.3cm.

Estimate: £100 - £150

---

### Condition Report

2567. Some overall typical surface wear commensurate with age but generally a nice patina and colour. There is slight loss to the edge of interior label. The glass dome is a bit dusty to the interior but otherwise appears to be ok. Appears to be in working order.
