### Condition Report

1107. Both have typical wear and are a bit dirty so would benefit from a clean.

Carved phurba finial has typical surface wear and some minor chips and scuffs. Two of the three attachment holes around its rim have split/broken with a crack/split running up front one (approx 3cm long).

The mask has typical surface wear, minor chips and scuffs. There is also a 2cm split to one side just above the right ear.
