### LOT 2012

A harlequin set of twelve George IV mahogany bar back dining chairs with overstuffed seats and turned legs, height 88cm, width 48cm (some faults and repairs).

Estimate: £200 - £300

---

### Condition Report

2012. The seats have a few light stains. A few of the chairs are a little bit wobbly, but generally the set is fairly structurally ok. However, a few have some small repairs to the bar back joints and some minor old woodworm to seat rails. The harlequin set comprises a set of six, a set of five and a single. They are all very similar, but just have slight differences in the leg profiles.
