LOT 663

An 18ct gold, ruby and diamond cluster ring in a shaped oval design, claw set with the oval cut ruby within a two row surround of circular cut diamonds, London 1998, weight 6.6g, ring size approx O1/2, with a case.

Estimate: £700 - £1,000

Condition Report

663. The ruby is of medium colour saturation and has a few inclusions. It is possible the ruby has been treated to enhance colour and clarity. The diamonds slightly draw colour but are generally fairly clear stones with only a few inclusions. The ring has been sized in the past.
