

Jewellery / Wed, 16th February 2022 / Lot 666

LOT 666

A 9ct gold curblink watch Albert chain, fitted with a 9ct gold T-bar, a 9ct gold swivel and a gold boltring, unmarked, weight 23.5g, length 42cm.

Estimate: £300 - £400

Condition Report

666. In overall good condition. Horizontal T-bar is fairly loose in its setting. Some minor typical wear, but no obvious repairs. There is an additional section of chain attached to the ring which the T-bar is attached to, the last link of this additional section is broken.

Swivel - detailed 9.375

Boltring - unmarked

Links of chain - detailed 9.375 (many of these heavily rubbed), one link detailed with maker's mark H.W.

Chester 1922.

T-bar - detailed 9.375
