LOT 2

Thomas Smythe - Encampment with Figures, Dog and Horses near a Moorland Path, 19th century oil on canvas, signed, 49cm x 75cm, within a swept gilt composition frame.

Estimate: £150 - £250

Condition Report

2. Previously cleaned, relined and restored. Old cleans have removed some of the layers of paint, particularly the flesh tones and to the horses. UV examination highlights some touching in of paint flaking and some further overpainting to the sky. Some light surface scratches, possibly to the varnish only, to the bottom right and top left. The old varnish has started to discolour.

The modern frame has some damage to the bottom left cresting and more severe damage to the top right.
