

Jewellery / Wed, 16th February 2022 / Lot 606

### LOT 606

A gold and diamond nine stone cluster ring, mounted with cushion cut diamonds between split shoulders, unmarked, weight 1.4g, ring size approx F1/2.

Estimate: £70 - £100

---

### Condition Report

606. The ring would benefit from a clean. Diamonds under 10x magnification look to have one or two inclusions, are sparkling stones but draw colour.

Thinning to the shank, particularly to one side.

Typical light wear to the shank otherwise.
