Condition Report

455 - All a bit dirty and dusty and would benefit from a clean. The wood is in generally good order but there are some areas of lifting and splitting to the walnut veneers, particularly around the corner joints and around the base. Small piece of veneer missing to the side of drawer and corner of drawer. Typical scuffs and scratches. Small section of brass banding missing to front right corner. The lid does close but gapes slightly where the hinge lid is ever so slightly bowed.
