LOT 504

A 9ct gold and synthetic ruby bracelet, designed as a coiled snake, the head with engraved decoration and synthetic ruby set eyes, Chester 1958, total weight 32.5g, unexpanded inside diameter 4.7cm.

Estimate: £200 - £300

Condition Report

504 - Overall in good condition. Typical light surface wear. Tiny split where coil joins the tail but only noticeable under 10x magnification. A few indentations on the tail and neck but these appear to be as a result of manufacture.
