

Glassware / Thursday, 10th March 2022 / Lot 1742

### LOT 1742

A Whitefriars old gold colourway striped Studio Range glass vase, dated 1969, designed by Peter Wheeler, shape 'S11', of square shouldered form with everted neck, engraved marks to base, height 14.8cm.

Estimate: £100 - £150

### Condition Report

There are 5 indistinct hair sized fissures each approx 1cm long to the surface of the glass primarily near the shoulders/on the sides. I would suggest they are stress cracks as a result of manufacture, rather than damage, but it is difficult to confirm this. They are not immediately apparent and only really noticeable under a strong light on close inspection. Otherwise the vase is in good condition.
