

Collectors' Items, Works of Art and Light Fittings / Thursday, 17th March 2022 / Lot 2525

LOT 2525

An Art Deco cast gilt bronze and carved ivory full-length figure of a dancer, attributed to Ferdinand Preiss, mounted upon a flared rectangular onyx plinth, height 26cm. Note: a very similar bronze attributed to Ferdinand Preiss was sold 14th Dec 2011, 20th Century Decorative Arts, Bonhams, Lot 3165.

Estimate: £800 - £1,200

Condition Report

2525. The figure is in good original condition with no losses or damage. The onyx base has several small chips to the bottom corners of the base. There is an indistinct written code number to the underside of the onyx base 'LR48232'. The ivory is dirty and the metal has tarnished.
