

LOT 2559

A late 18th century shagreen étui, the hinged lid opening to reveal a fitted interior containing six tortoiseshell mounted steel lancets, two stamped with a crown cypher, four stamped 'Guest', case length 7.7cm.

Estimate: £80 - £120

Condition Report

2559. One of the lancets has several very small chips to one end. There are traces of gilt paint of the interior of the case which do not appear to be original. The case and lancets have minor age related wear.
