

Collectors' Items, Works of Art and Light Fittings / Thursday, 17th March 2022 / Lot 2502

LOT 2502

Jacob Epstein - a brown patinated cast bronze head and shoulders portrait bust of Sandra Dorne, bearing incised signature to rear of left shoulder, raised on a stepped slate base, height 56cm, width 43cm.

Note: a similar casting was sold at HRD Auction, Sept 2018, and was presented with provenance and literature, including a copy of 'The Sculpture of Epstein' by Evelyn Silber, in which this bust is illustrated.

Estimate: £2,000 - £4,000

Condition Report

2502 - The bronze has original brown patina and areas of age related wear. No damage or restoration. Small chips to bottom rim of slate base.
