LOT 631

A 9ct gold, ruby and diamond ring, mounted with an oval cut ruby and two circular cut rubies within a surround of circular cut diamonds, detailed 'DIA', London 1998, weight 3.3g, ring size approx O.

Estimate: £80 - £120

Condition Report

631. Central ruby of medium colour saturation, side rubies of dark colour saturation, all fairly included stones, each with abrasions to facet edges. Central ruby with a couple of surface reaching inclusions and one or two tiny nicks to the table.

Diamonds are circular with cut and have one or two inclusions noticeable under magnification. Would benefit from a clean. Overall in generally good condition with typical surface wear to setting.
