LOT 634

An 18ct gold ring, claw set with an oval cut amethyst between two circular cut diamonds, London 1990, weight 2.7g, ring size approx K.

Estimate: £100 - £150

Condition Report

634. Amethyst has some general scratching to table facet and abrasion to facet edges. It has a few inclusions, particularly on one side.

One diamond has a chip to the girdle between two claws. Both appear to be fairly clear stones and bright white and sparkling.

Slight surface wear to the setting, otherwise in generally good condition.
