

Collectors' Items, Works of Art and Light Fittings / Thursday, 17th March 2022 / Lot 2592

### LOT 2592

A Jodson SG electric bass guitar, made in Japan, cased with various leads and strap, together with a home-built bass guitar, cased.

Estimate: £80 - £120

---

### Condition Report

2592. The Jodson guitar has several dents and paint losses to the body. No obvious major damage. May need professional attention to ensure it works properly.

The home made guitar has peeling to the white front but no obvious damage, although it is clearly home made.
