LOT 661

An 18ct white gold and diamond three stone ring, claw set with a row of circular cut diamonds, London 1978, weight 3.4g, ring size approx M, with a case.

Estimate: £300 - £400

Condition Report

661. The diamonds are fairly bright white stones. Central diamond has few black inclusions to the sides of the table facet, noticeable under 10x loupe. One side diamond has one or two black inclusions below the table. The other side diamond looks fairly clear with a small white inclusion just under the table facet edge. Otherwise ring in generally good condition, with light typical surface wear to the setting. Central diamond approx 4.5mm diameter, side diamonds approx 3.5mm diameter.
