

Model Trains and Railways / Wednesday, 16th March 2022 / Lot 111

LOT 111

A collection of LGB (Lehman Gross Bahn) G-scale model railway items, including an 0-4-0 locomotive 2, another 0-4-0 locomotive celebrating the 125th anniversary of Ernst Paul Lehmann, a No. 92090 diesel shunter, four coaches, track, including straights, curves and points, controllers and a signal/control box, some boxed.

Estimate: £300 - £500

Condition Report

111. Overall condition is very good. The locos and coaches are slightly dusty and the coach roofs have some spotting. The track appears to be unused. Boxes are good.

All the points boxes are full, comprising two No. 16050, No. 16150, No. 12100, No. 12050 and No. 12000. The switching box has been moved to left side.
