LOT 2020

A George III mahogany chest-on-chest, the crossbanded pediment with a gadrooned edge above an arrangement of oak-lined drawers, on ogee bracket feet, height 187cm, width 120cm, depth 57cm.

Estimate: £200 - £400

Condition Report

2020 - Overall condition and appearance is reasonably good with some bumps, scuffs and small cracks and chips to veneer. The handles and locks are all present and appear to be original. There are twin thin vertical cracks to the sides of the base and one rear foot is detached. Most of the drawer fronts appear to be slightly bowed top to bottom but it hasn't affected the veneer. I would imagine there is some minor worm in some parts of the pine carcass but I cannot see any. Back panels are original.
