LOT 704

A gold twin bar link watch Albert chain, fitted with a 9ct T-bar, a gold swivel, detailed '9ct', and another gold swivel, detailed '9ct', weight 19g, length 43cm.

Estimate: £200 - £300

Condition Report

Maker's mark on T-bar is 'M&M'.

Maker's mark on one swivel is 'A.S', detailed '9c'. The loop attaching this swivel to the main chain is split. The other swivel has a rubbed marked detailed '9ct'. The loops attaching this to the main chain are slightly worn. Possibility that at least one of the swivels is in association with the chain.

None of the twin bar links are marked, but a couple of the loops are detailed '9 375'.

Likely to be circa 1900.

Would benefit from a clean.
