

Arts and Crafts Furniture / Thursday, 17th March 2022 / Lot 2323

### LOT 2323

A late Victorian Anglo-Japanese hardwood occasional table, in the manner of E.W. Godwin, the top with flared sides above asymmetric undertiers and a trellis frieze, height 73cm, width 58.5cm, depth 43.5cm (faults).

Estimate: £200 - £300

---

### Condition Report

2323. Clearly there is substantial damage to one edge of the top, with a large section missing to one corner and a small chip to the other. Otherwise there are some minor scuffs and marks to corners and edges, a few cup marks and stains to top and some slight movement to the undertier joints.
