### Condition Report

One swivel detailed '9 375' and maker's mark 'H&S', though this is heavily rubbed. The other swivel has a maker's mark for 'J.E.W' and is detailed '9 375'. Both the circular loops securing the swivels appear to have split. In general most of the oval links are showing slight signs of wear to each end. Marks to the bar links are largely rubbed and difficult to read. Otherwise with typical light surface wear.
