## Condition Report

Bangle is likely to have been gold flash overlaid. But tests as approx. 18ct gold.

One mauve gem with small chip to the table

Minor loss to the collet setting of one side mauve gem, this potentially may become loose in the future.

Slight dent to exterior near the hinge, slight discoloration here too.

Hinge and clasp in working order.

Minor loss to gold top right edge of the central leaf motif.

Very minor scuffs/scratching to bangle generally.
