LOT 143

A Wrenn Special Limited Edition gauge OO/HO W2403 locomotive 'The Rifle Brigade' and tender, boxed with certificate 140/250, packing pieces and instruction manual (scuff mark above right nameplate).

Estimate: £200 - £300

Condition Report

143. Appears to be in a good clean condition with some dust in places, but it looks like it has not been run. Has 3 packing pieces, instruction manual and certificate. Box and lid have some scuffs to the corners and one on the lid.

We have not been able to test this, all these types of locomotive are sold as seen.
