### LOT 2025

A 19th century Neoclassical Revival pine barrel-back corner display cupboard, the frieze with applied foliate mouldings, the arched niche with a carved scallop shell crest above shaped shelves, the two cupboard doors above a carved egg and dart band, height 212cm, width 100cm.

Estimate: £200 - £300

---

### Condition Report

2025. A few minor surface cracks and scuffs. There has been a series of light bulbs wired into each corner of the inside, but generally it is in good order. Depth of interior 37cm.
