

Jewellery / Wednesday, 13th April 2022 / Lot 592

LOT 592

A gold, diamond and synthetic ruby cluster ring, claw set with circular cut synthetic rubies within a shaped surround, set with circular cut diamonds, detailed '18ct', weight 5.9g, ring size approx M1/2.

Estimate: £240 - £280

Condition Report

Minor abrasions to the table facet edges of the principal synthetic ruby.

Generally the diamonds have a few inclusions and slightly draw colour. Minor wear to the shank.

Otherwise with typical light surface scratching to setting/shank.
