LOT 2008

An 18th century Dutch walnut and parquetry veneered serpentine fronted three-drawer commode, the top and sides with inlaid chequer board panels, raised on carved cabriole legs, height 82cm, width 108cm, depth 69cm.

Estimate: £300 - £500

Condition Report

2008. Small piece of veneer missing to right edge of middle drawer (5cm x 1cm). No signs of woodworm. Handles are probably later replacements. Chest looks to have been professionally restored in the past so does have repairs in places, but overall is in good condition with age related marks and wear.
