LOT 549

A two row necklace of coral beads on a gilt metal snap clasp, mounted with two corals, length of shortest strand 35cm, and a coral bead necklace of interwoven design, on a snap clasp, length 37.5cm.

Estimate: £50 - £80

Condition Report

Two row coral bead necklace – the coral beads are of medium to pale colour saturation. Slight irregular shape to the coral beads on the clasp. One or two surface reaching blemishes on one or two beads.

Interwoven coral bead necklace – the beads are of medium to pale colour saturation. The clasp is likely to be gold.

We note that on both necklaces the beads are not individually knotted and would advise professional restringing with knotting to ensure security.
