LOT 582

A gold mounted bog oak bracelet with piqué point decoration, on a snap clasp, fitted with a safety chain, unmarked, total weight 10.4g, inside width 5.2cm.

Estimate: £80 - £120

Condition Report

Evidence of old glue repairs connecting the hinged link to the bog oak near to the clasp.

One or two piqué points missing from the front.

One tiny gold pin point missing from the back of the clasp.

Old positive acid test mark to the clasp tongue, suggesting 9ct gold.

Suggested age – late Victorian.
