## LOT 683

A Victorian 18ct gold and curved rectangular cornelian signet ring in a triple shank design, London 1883, weight 6.1g, ring size approx Q1/2.

Estimate: £180 - £220

---

## Condition Report

In generally good condition overall.

Some general light scratching to the surface of the cornelian. A number of small nicks/chips to the edge of the cornelian, particularly along the two shortest sides.

Slight rubbing to the maker's marks within the shank, but majority of the hallmarks are still crisp.

Light typical surface scratching to setting/shank.

Size of the head of the ring approx. 11mm x 8mm.
