LOT 377

A Victorian silver mounted heart shaped tortoiseshell chamberstick, the reeded scone and drip pan above a pierced support, pierced ring handle and scalloped rim, London 1889 by William Comyns & Sons, length 12cm.

Estimate: £80 - £120

Condition Report

377 - Generally good order but a little tired. Some misshaping to silver scone and other typical minor misshaping and wear to other silver mounts. Tortoiseshell has dried out so has a slightly cloudy dry finish to interior with some internal inclusions/hairlines visible under a strong light.
