## Condition Report

The bangle tests as approx 14/15ct gold.

Old test scratch marks to the interior panel where the Rd number is inscribed.

A number of the central beads are bent inwards, one or two have split through to the hollow interior.

Hinge and clasp in good working order.

Light general scratching to the surface, typical for age.

Would benefit from a clean.

Inside measurement 4.7cm x 5.5cm.
