LOT 143

Aurel Naray - Portrait of a Young Lady wearing a Hat, early/mid-20th century oil on canvas, signed, 48.5cm x 39cm, within a silvered frame.

Estimate: £300 - £500

Condition Report

143. In good original condition. UV examination does not highlight any overpainting. Looks like it may have been cleaned and revarnished fairly recently, as varnish is still 'bright'. Frame has a scuff on the bottom-right, but is otherwise ok.
